Pictures just don't capture his true size. He's long, very tall, with great bone. We purchased him as a yearling because of his desirable pedigree and large frame. Unfortunately for him, we've also been blessed with access to some industry leading herd sires since we bought him, so he hasn't been given a fair opportunity to prove himself. The first heifer he sired is tall and correct with a ton of horn.

Total Horn: 82.7500 on 09/14/2022
TTT: 73.7500 on 03/04/2023
Weight: 1860.0000 on 03/04/2023
